I could be wrong, but I am pretty sure that I did include the 3 documents attached here in Matt's folder on the afternoon of Feb. 21. You sent these 3 documents to me. On the table of contents for the folder on that day I listed these materials as "Materials from Erik for MOA Legal Discussion (4:30 tomorrow)."

Derek,

Did Matt receive the briefing materials yesterday for our ESA meeting? He did not seem to be aware of them.

Derek,

I would add the attached documents (two of which he already should have received a couple months ago).

Importance: High

Erik,

Do you have any briefing materials to put into Matt's folder today for the MOA Legal Discussion tomorrow at 4:30?
Please let me know if I should direct this question to someone else. Thanks!
